Wed noon -
Beautiful -
Got in at 9:30 Carrol
1040 km - found near S.
backed - took car to Quaker
Got Oil here just beyond
Yucca S (left side (change))
for greasing exchange of oil
in sequoia - then waited
on bench 11:30 to 1. Now
go to lunch at corner
Capitonia -

Mon. July 2. 1923 Loma Linda

Left Tucson Sat. June 23. 1923 in Franklin - about 6 am. Casa Grande - Maricopa - about 10.30 - waited there 5-6 hrs for Dr - Mrs Leonard - they had passed. ~~at~~ Pila Bend and fine supper at 5 ± (going S of track from Maricopa - H&B L went N of track). Then out 15 miles to end of good road and camped. near ^{N of} SP tracks

Sun. 6/24/23 - left camp early Sentinel - Aztec - detour to N to ~~Stoval~~ ^{near} ~~Woburn~~ - then to Yuma Good supper about 4. Crossed bridge - impetrid. then about 8 miles = past grade under RR & 2 miles more to good ground. Mar. S of SP tracks

Mon. 6/25/23 off early some 5 miles to plank road. some 6-7 mi. on that & 5 mi of very sandy road to pavement. 2.5 mi ± Bbst in Holtville. Then El Centro

6/25/23 Cont -

On ~~across~~ paved road across valley - near River - up some 9 miles of grade to near 5000 alt. Then Jacumba Springs & Bedman & Camped near little brook at SP.

6/26/23 Tu.

off early to San Diego - by 10 am. Got license. Most left about 12 to Los Ang. Pasadena about 8. Phoned Pete. Got Leonard's in Pasadena Hotel & went to Lucia - Miss Lulu Blackburn ⁶⁵⁸ them. Spedometer 558. (7 hubbids) Leonard at Maricopa, 35 miles Gas. \$10 at start. (= -2 from fuel)

Bought 5 7 15 gal at 322 ± 2 1/2 4 in 441 mi -- -6 25/441 5 Sand 17.7 -

at 558 26 4 - 10 in tank 34) 658 | 19.4 8 34 gal) 558 34 19.4 318 218 306 204 140 46.4 average

Wed 6/27/23 Pasadena

Thurs 6/28/23 Went to Loma Linda in P.M. Worked on NEFL, 1-4 and com. - fluted them today - one or two ddt fl. places still left.
