Tucson, Arizona.

Dear Mr. Davis:

Replying to your letter of January 17, I am sending you herewith a topographic map of Yellowstone National Park on which you should be able to locate definitely certain of your specimens. This is the best available map that we have of the park and we hope that it will meet your needs.

If we can be of further help to you, please do not hesitate to write us.

Sincerely yours,

Guy D. Edwards

Mr. Guy D. Edwards,

Acting Superintendent, Yellowstone National Park,
Yellowstone Park, Wyoming.

Dear Mr. Edwards:

Many thanks for the map which you sent in response to the request of Mr. Davis. I still have the impression that there is some map of the north-east portion of the Park with a number of names on it, for example, Lost Lake.

Perhaps the contour map which you sent is the largest ^{Scale} topographic map so far published of the vicinity of Camp Roosevelt.

With many thanks,

Sincerely yours,

A. E. Douglass.
